## BRUME

LA BRUME was born from the intention to welcome people like at home, with warmth, simplicity and friendliness.

Our love of well-made, yet accessible things make our coffee shop/tea room an inviting space where you want to settle down for life.

Our small dishes are homemade, from the hearty "two eggs and bacon" breakfast to the generous traditional English tea three tiers platter and its so loved cucumber sandwich. We serve **Fortnum & Mason\*** tea and their non-alcoholic "champagne" style sparkling tea. Our ingredients are local and carefully chosen, from the coffee beans roasted by **Kittel**, to the meats of **Dans la Gueule du Loup** and the incomparable pastries of **Les Touriers**. Our team offers you, day after day, a menu made with dedication and inventiveness, affordable, generous and diversified.

Welcome home at LA BRUME!
